

HOME BED ASSIST RAILS

Adjustable and Easy to Use

WE CARE LIKE FAMILY™

Dynarex's Home Bed Assist Rails are simple and easy to use. They come with a convenient bracket assembly that slides under the mattress to provide a safe and secure grip.

FEATURES AND BENEFITS

- Safely get in and out of bed on either side
- Quick and easy tool-free assembly
- Powder coated steel

STANDARD RAIL

- Special extra-long safety strap wraps around mattress or box spring for a secure fit

ADJUSTABLE RAIL

- Adjustable leg extensions accommodate a wide range of bed heights
- Non-slip foam cover provides better grip and stability
