“We Care Like Family”
Your one-stop medical products brand since 1967
Dear Dynarex Valued Distributor Partner:

I am excited to introduce to you a new product category of products “Durable Medical Equipment” for our customers. Dynarex continues to expand their product offerings now to this market segment this year. A natural expansion of medical products for our end-users with great sales and profit opportunities for our distributors.

As you will see we are offering a wide range of products in such categories as Mobility, Bathroom Safety, Beds & Bed Assist to Rollators, Transport Chairs and Wheelchairs. We will continue to expand our product development in this product category throughout coming year. Our product offerings offer exceptional quality and competitive pricing structures that is the hallmark of our success.

Unlike our competition, the Dynarex brand – “We Care Like Family” represents a culture of partnership, honesty and transparency. We are committed to operation excellence and, above all, value: product value, bottom line value and family values. That’s why we are so proud to be able to bring a line of durable medical equipment that creates solutions for family independence.

We invite you to join our family and become our partner as we continue to grow our businesses together. Our success over the years has been built on strong distributor partnerships.

We look forward to earning your confidence and your business as we expand this terrific new product category of Durable Medical Equipment in the marketplace.

We want to thank you in advance for all your business and continued support throughout the year and into the future.

Sincerely,

Zalman Tenenbaum
President and CEO
Dynarex Corporation

DynaRest Gel Infused Mattress is a support surface that provides unprecedented pressure redistribution, dissipates heat from the body and keeping the skin cool and dry.

- Three layers of variable density European foam provide optimal support.
- Top layer has precision box cuts for improved pressure redistribution.
- Dedicated box cut memory foam sloped heel zone.
- Low shear comfort stretch top is water resistant and reduces perspiration.
- Cover is easy to maintain and clean with a flap which covers the zipper to protect the mattress from contamination
- Flame Retardant (CFR 1632 and CFR 1633)
- Weight Capacity: 450 lbs.
- Warranty: 15 Years Limited Foam, 1 Year Cover

</tbody>
</table>

Oxygen Regulators
- Click style flow control
- Dependable and convenient
- Regulators offer a multitude of liter flow options of up to 25 liters per minute depending on the style
- Mini regulators offer the same function as standard regulators while facilitating an easier fit into oxygen carry bags
- Both of our Extended Regulators work with our #5701 Bubble Humidifier

Cylinder Wrenches
- Small cylinder wrenches designed for use with small medical oxygen cylinders.
- Constructed of durable plastic makes it easy to engage medical post valves.
